#177/2005 Hana to Yume Furoku

It's so blue!
WAH
This is a deserted island in the south

Right now...
Minami-san
Just a little farther
slip
thud
Awww
Ouch...
Ha!

We were on our way to Okinawa for a school field trip,

when we accidentally fell into the ocean and ended up on this beach.

WOBBLE

At first I felt really awkward around Shinkai-kun...

.. we're stranded on a deserted island.

Little by little, I started to understand him better.
You see...
There's no one at home who'll miss me if I were gone, so it doesn't matter that I'm here.
But someone like you should go back.
But
No I wasn't
I was already planning to stay here
Were you trying to kill yourself ?
What's that bag for ?
tremble
tremble
'cause I'd never really talked to him before...
gr
ab
As I spent more time with him...
gumming
You've got some on your face
sfx: smash
Thanks
Here you go
I discovered that he's a really nice guy

lick...
GULP
but I'm going to pretend I never saw them
To tell you the truth, I've seen several ships go by...
blush
H...he licked it.
...with Shinkai-kun
I want to stay on this island just a little longer...
I just put it together quickly but I figured it was better than nothing
You made this yourself!?
No, it's perfect

We'll probably be on this island for a while...
Hmph
Ah...
There's even a bed!
You made this by yourself?
Well, you said that sleeping on the ground was really uncomfortable...
I'm thinking of making a log cabin.
Next
blush
so good with your hands...
Y...you're
But I...
to go back to school?
You don't even want
Shinkai-kun told me that he doesn't want to go back because of his situation at home...
That reminds me... when's your birthday?
August 5th
Oh, okay
Oh!
And on your birthday you get to celebrate with everyone
School is fun, you know? There's the Cultural Festival and the Athletics Festival plus all the friends you make
Uncomfortable with group activities
Nope.
...
FIRMLY

It's not that big of a deal.
I'm only going to be a year older
There you go again.
So the day after tomorrow is his birthday!?
Huh?
You've had similar experiences right?
Who, me?
He climbed onto the roof, but then he couldn't get down
We still had a great time though and I was really happy
When I was little, my family would always have a birthday party for me
I remember on my 5th birthday, my dad tried to surprise me
I begged my father to give me one as a present
but he seemed to have forgotten about my birthday
It was very pretty and light blue
This kid in my neighborhood had a cool marble that I really wanted
On my 5th birthday
my mother had already passed away and my father was a workaholic

I shouldn't have asked him such a personal question
depressed
I...I'm sorry
Shinkai-kun!
It's not really important anymore
He's never listened to me...
still want to wish him a happy birthday...
But I...
So that's what happened
I know!
I'll surprise him!
And I'll throw him a birthday party!
I need to get him a present though
I should go deeper into the forest to find him something...
but I'm a little worried that I'll get lost if I go by myself

gasp!
Work hard on what?
I'M GOING TO WORK HARD!
How long have you been here?
SHINKAI -KUN!!
where are you trying to go?
O-o-o-oh, nothing.
I don't know what you're planning, but
Huh?
I don't know what I'd do if you got lost.
It's my duty to protect you

I'll have him show me around the island so I can prepare for the party.
I wonder what Shinkai-kun likes.
What would he want for his birthday?
I'm getting excited just thinking about it.
just how serious is he?
badump
badump
badump
So he says, but...
slowly
My hand's getting all sweaty.
but I don't want him to let go.
You already know where everything is, right?
like where to find fresh fruit and pretty flowers
I want to know more about this island,
Pretty much

?
Minami-san, here!
KYA~!
Look, it's as colorful as a rainbow!
Why am I having such a great time?
It's not even time for his party yet...
You don't like bugs, but you're okay with this, right?
...spending time with him...
So why am I having so much fun...

So pretty
...every day?
What are you going to do with all those flowers?
It's going to be a real pain taking them back
HA-i
Hm
mm
I want to use them to decorate your party...
Will they wither away by tomorrow?
How about doing something like this with the hibiscus?
Just pull out the pistil and then run a thread through them
You know, like one of those things you see in Hawaii

D-don't laugh at me...
Hehehehe
PFFT
...
Try again!
lift
This is all it takes...
...so pretty
Ah

I like him.
So that's what it is...
Y...
You think so?
Yeah, I think the hibiscus is really pretty.
Eh? The hibiscus?
...to make me happy.
I want to...
spend more time with him...
It's slipping over your eyes

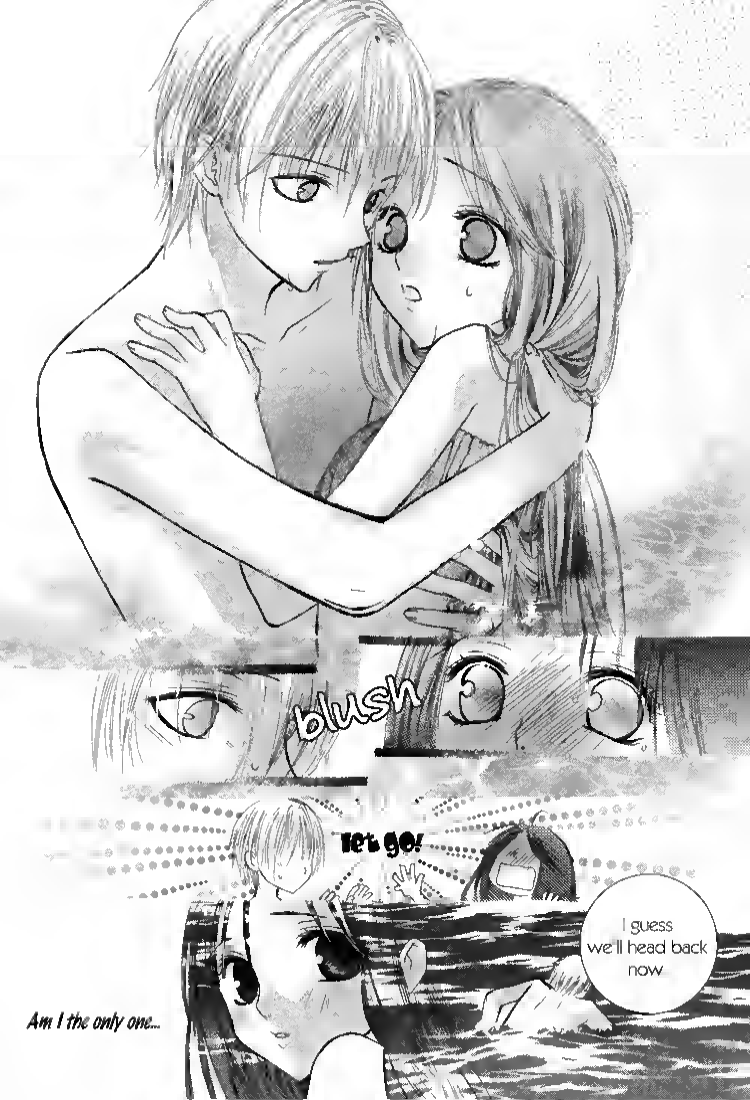
I'm in love with Shinkai-kun...
san
Gasp!
Minami -san!
BACKS AWAY
Yesss!!
Are you okay?
Oh, no....
I'm nervous
I've never been this far out into the water before
I'm too aware of him now....
Really?
I really like him.
I'm right next to you so don't worry.
Splash!

Wooow...
See? You're okay.
Smile!
I want to make him happy, too.
Shinkai-kun makes me so happy.

Minami -san!
Maybe I'll go out just a little farther...
I hope I can find him a nice present...
Hmm...
What a pretty rock!
Oh...
It was very pretty and light blue
I think it's the same color as that marble he wanted...
Ah!
I think that's it...
Oh, no!

Are you okay!?
cough cough cough
splash!
Yeah
I almost got it...
TAP
The current is too strong there
Were you worried?
Yeah
Thank God
I wonder how he feels about me...

Shinkai-kun,
what do you mean by protecting me?
Is it just an obligation?
POKE
I told you...
...that I'd protect you...
He seems a little slow about these things...
Don't go there anymore, okay?
I understand...
FSSHH
Pp
Does he like me even a little?
Minami-san!
afx: splash



blush
let's go!
I guess we'll head back now
Am I the only one...

Is this it?
...who feels this way?
or else he'll find out what I'm up to.
From now on, I have to act without looking too suspicious.
Oh, wow!
You can also find mushrooms and other things to eat around here
I get water from this pond
It's been awhile since I've had the chance to take a bath.
I've cleaned myself in the ocean though.
Oh...
It's so hooot
I'll decorate with flowers,
make a feast,
and then...
I'll confess my love.
dazed

RUSTLE
flinch
Ah!
KYA~!
Sorry
splash
I didn't realize you were skinny-dipping
I'll bring a towel or something.
Did he see me naked!?
KYA~!
Still, I can't believe he had no reaction at all.
HEEEEK
my back was turned...
He probably didn't see anything.
I'm so embarrassed!
splash
splash
I'm going to hit the water
She gets lost when she wanders around alone. Where did she go this time?
?
rustle

Condensation

Wha...?
Come to think of it
he's been acting kind of weird since yesterday ...
Why now? He's never bothered before...
Did I do something wrong?
Why?
There aren't any ships going by, so why is he setting a signal fire?
Don't you think it'll be easier for people to find us if we make a fire?
He must think I'm being a pain!!
That has to be the reason...
I'm sorry
Why are you apologizing?
I just can't stand it when you wander off
so stay here quietly until we find help

He's disgusted with me now.
I'm such a fool...
Even though I've been a bother...
...
I thought... we had a chance...
RUNS
It's Shinkai-kun's birthday today...
I doubt this will make him happy...
No...
...still searching for his present?
He'll probably just think I'm being a pain again...
plunk
I can't find what I want around here...
Why am I...

...
Even so...
I love him!
If I give him that rock...
I know he'll be happy!
I got it!
Ah!
the splash

sfx: gulp
No... I...
...haven't told Shinkai-kun my feelings yet.
!?
cough
cough
STARTLED
You dummy!!
What were you doing!?
Why am I...
I'm sor
always causing him trouble?
sfx: thud
Minami-san!?
I just wanted to make him happy...

GASP
startled
I told you not to go there,
because of the strong current... didn't I?
You probably think I'm stupid for getting a fever and almost drowning
Yeah, you're right about that What were you trying to do?
Give me your hand, Shinkai-kun
slowly
This is for you

Happy
Birthday
You almost killed yourself for this?
Yeah
Isn't this similar to the marble you wanted? Was I wrong?
To be honest I wanted to throw you a party
but this is all I was able to get you. I'm sorry.

Shi...?
enough.
That's

Ppt
Just be quiet
Nn
startled
rustle
I keep telling myself
Even though I have a fever...
grasp
"I don't want to go home. I don't want to go home."
I want to stay like this forever...
Did my fever go down?

VESTERDAY?
D-D-D-DID WE DO IT...
cover
KYA~!!
rustle
We didn't do anything
We didn't have any medicine
but I've heard that you can reduce a fever quickly with more body heat so
Shinkai-kun
I really wanted to do something to you, but
Was that kiss just a dream as well?
I... I see
I don't know if I feel relieved or disappointed.
Eh?
You still don't get it?
sfx: pull

Shinka...
I don't have the strength to resist you
For my birthday present...
when we're alone on this island
So
You're the one I love
what I really want is you

sfx push away
You should go home.
Shinkai-kun!
if you want me.
Whether we're on a deserted island or in school
it's still paradise as long as we're together
I'm yours
"startled!"
